Please note:

1. It is important that you maintain your grades and submit final documents in order to retain your offer. Please visit this [link](#) for document deadlines.

3. Your offer of admission may be revoked if:

- There is a discrepancy between the courses and marks submitted on your application and the information received in your final, official transcripts and documents
- Your final calculated average is significantly lower than the average presented at the time of this offer of admission

ACCEPT YOUR ADMISSION OFFER

To confirm your intention to attend the University of Alberta, you will need to accept your offer and pay a non-refundable tuition deposit by the deadline indicated in the UAlberta Launchpad portal. Find out more about the [tuition deposit and how to pay](#). Exemptions may apply.

ACCESS TO BEAR TRACKS

Once you have completed the steps to accept your offer, you will be able to use [Bear Tracks](#) to view, and in some cases, register for classes. Your faculty may follow up with registration information details, if applicable.

TRANSFER CREDIT

You may be eligible for transfer credits towards your degree program. When transfer credit has been assessed by your Faculty, you will be able to view your Transfer Credit Report in Bear Tracks.

SCHOLARSHIPS & AWARDS

The University of Alberta offers more than \$28 million in undergraduate awards each year. In fact, one in five first-year students will receive one. Learn more and apply online at our [Awards website](#).

START IN RESIDENCE

As a new incoming student, you are guaranteed a spot in residence! In order to secure your spot, you must apply for residence by April 30 (guarantee applies to North Campus only). Learn more at our Residence website: [North Campus & Campus St. Jean](#)

SUBMIT OUTSTANDING DOCUMENTS

Check your UAlberta Launchpad portal to find out which outstanding documents you will need to submit to finalize your admission. Ensure documents are submitted by the [document deadline](#). Any other academic conditions that have been noted by the Faculty will also need to be met.

TUITION ESTIMATE

In order to provide you with the ability to plan for the financial requirements of attending the University of Alberta beginning in Fall (September) 2024, we are pleased to provide you with a tuition guarantee for your program. Your annual tuition for your Bachelor of Science (Major) program is outlined in the table below and is in Canadian Dollars and will be

charged each year for four years. Your guaranteed total tuition amount for a standard length Bachelor of Science (Major) degree is \$135873.60 CAD.

| 2024 Cohort Bachelor of Science (Major) Tuition Summary Chart | | | | |
|---|-----------------------|-----------------------|-----------------------|------------------------|
| 2024/25 | 2025/26 | 2026/27 | 2027/28 | Total |
| \$33968.40 + Fees* | \$33968.40 + Fees* | \$33968.40 + Fees* | \$33968.40 + Fees* | \$135873.60 + Fees* |
| *Fees in addition to tuition are estimated at \$1900 CAD per year, but are subject to approval and change in accordance with University of Alberta policies and procedures. | | | | |

Please note the following important points to the above tuition guarantee:

- This guaranteed rate is only applicable to tuition and does not include other fees associated with the cost of your program, such as Mandatory Non-Instructional Fees, textbooks, residence costs, food, etc.
- Students attending the University of Alberta on a study permit follow a program-based tuition model, which means that your annual tuition will be assessed regardless of how many courses you register in each term.
- Despite the above, the total tuition amount is guaranteed for five years, even though your program is anticipated to take four years to complete. This means that if you still have required courses remaining in the 2028/29 academic term you will not need to pay tuition for them, only the associated fees.
- Further, this guaranteed rate does not take into account any transfer credit that may be approved as this is not always known at the time of admission. If you have transfer credit the guaranteed total tuition listed above will be higher than the actual amount you will be required to pay.
- This tuition guarantee only applies to the standard requirements, including electives, necessary to complete your program (i.e. up to the total number of credits required to complete your program, as set out in the University Calendar). The guarantee does not include the cost for any course you choose to take in addition to the courses required for your degree program or courses that need to be repeated due to withdrawing from or failing a course(s). For example, in the 2028/29 academic term, any course you take beyond the total number of credits normally required to complete your degree program will be charged at \$3396.84 CAD per 3 credit course. Any courses taken after the 2028/29 academic term will be charged at the per course rate established for that year.
- If you change programs while attending the University of Alberta, the tuition guarantee provided within this letter will no longer apply and you will be provided with a new guarantee at the time of admission to your new program.
- The tuition guarantee relates only to tuition for the Fall/Winter academic terms. If you choose to take Spring/Summer courses, your total tuition will remain the same; however, your annual total will increase that year.

Each year you will receive a Fee Assessment through Bear Tracks, which will include your individual invoice for your tuition fees and other costs associated with your specific choice of courses (e.g. costs for field trips, specialized supplies, etc.) For more information about tuition and fees please see the [Office of the Registrar Costs, Tuition, and Fees webpage](#)

PREPARE FOR YOUR ENTRY TO CANADA

As an international student, you are required to have a valid study permit if you will be studying in Canada for 6 months or longer.
